an Example Agenda

we have **over 100 “Teamwork Tasks”** for clients to choose from!

morning:

- an introduction to the principles and psychologies of teamworking - as applicable to the team’s and individual roles; issue and explanation of Teamwork Behaviour Checklists
- a **Teamwork Task** with debrief using Teamwork Behaviour Checklists
- results of “How Good Are We At Teamwork” questionnaires - discussion and agreement on priority needs of the team
- Janus Creative Planning to describe the team’s vision; the principles of “Shared Objectives” - application - what are OUR team’s Shared Objectives?
- an introduction to Experiential Profiling and “group therapy” self analysis
- a **Teamwork Task** with debrief using Experiential Profiling Reference Cards

afternoon:

- a **Teamwork Task** with debrief using Experiential Profiling Reference Cards and Teamwork Behaviour Checklists
- an optional session on a relevant teamworking or communications skill - egs: assertiveness, use and interpretation of body language
- applications - discussion and debate on priority issues identified in research
- a final **Teamwork Task**, reflection, round table group and individual action plans
- making it happen: using lessons learned, strategic planning; follow up

*the key to this workshop is **relevance** - it is 100% focussed on helping
the team and each member be more productive - and **PROUD***

workshop Fee: **£1,250 for up to 6 delegates** extra delegates £200 per head
